

NPPSF REACH Grant Application

Attention: NPPS Foundation, McKinley Education Center

Purpose of REACH Grants: The grant program is designed to encourage innovative, creative and quality education in North Platte Public Schools. The Foundation's mission is "to support the school district's efforts to provide expanded opportunities for all students." The Foundation is dedicated to the increase of excellence in education by means of programs and services for students and staff. Any full-time North Platte Public Schools employee may request a REACH grant. This grant program provides funding for educators to learn and teach new skills and have opportunities to attend special sessions to improve their skills. All funds for this program are from generous donors who believe that investing in education will change our future.
